

**MEMORANDUM of UNDERSTANDING  
BETWEEN  
SOUTH ARKANSAS COMMUNITY COLLEGE  
AND  
UNIVERSITY OF LOUISIANA AT MONROE**

**June 8, 2010**

**PURPOSE**

This Memorandum of Understanding (MOU) summarizes an educational partnership agreement between South Arkansas Community College (SouthArk) and the University of Louisiana at Monroe (ULM) to provide undergraduate educational opportunities for students who may attend both institutions. Both institutions are committed to seamless transfer so students may successfully complete their academic goals. This agreement ensures that each institution serves the needs of students by providing them with appropriate and accurate transfer and advising information. Specifically, the MOU addresses both course and program transfer and articulation agreements.

**GOALS**

**The goals of this agreement are to:**

- Improve the transfer and advising process for the benefit of students.
- Develop an Expanded Course Articulation (Transfer) Guide.
- Identify high-student interest degree programs at each institution and develop specific degree program articulation agreements (i.e., 2+2, 3+1, or course-by-course).
- Identify faculty members in each program who will coordinate and serve as advisors for students transferring into designated programs.
- Improve collegiality and communication among college and university discipline faculty and administrators.
- Outline the transfer student scholarship opportunities.

In order to facilitate and improve the transfer process for our students, South Arkansas Community College and the University of Louisiana at Monroe hereby enter into the following agreement:

**PROVISIONS OF ARTICULATION AGREEMENT**

1. The institutions will develop and maintain an Expanded Articulation (Transfer) Guide (Appendix A).
2. The institutions will develop common degree plans by major and will clearly delineate courses to be taken at SouthArk and those to be completed at ULM. These specified, individualized plans will be an informal contract between the two institutions and the students who choose to participate. These plans will guarantee to the SouthArk student that the prescribed courses may be used

toward a specific degree plan at ULM (see Appendix B for designated degree plans).

3. The institutions will create a dual admissions program for the 2+2 degree programs (2 year associate degree earned at the community college + 2 years of study at the university resulting in a baccalaureate degree). Students admitted into SouthArk who choose an approved common degree plan and who meet all ULM admissions requirements will receive admission to ULM upon satisfactorily completing an approved 2+2 degree plan with a minimum cumulative GPA of 2.0 (on a scale of 4.0). Only courses with a grade of C (2.0) or better will be accepted by ULM. This dual admission component refers to university admission only. Other programs, such as the professional programs, may specify additional requirements or higher GPA requirements.
4. The specific degree plan will be developed for each student as an informal contract with the student that will be valid providing the student completes all degree requirements at ULM within six (6) years of the date of the ULM catalog selected. An "Intent to Participate in 2+2 Program" form must be completed, signed by the student, and signed by a representative of SouthArk to serve as the student's written guarantee of retaining the curriculum in effect on the date signed (see Appendix C).
5. The Transfer Guide and degree program articulations will be reviewed annually by the Chief Academic Officer or designee at each institution. The institutions may add new courses and edit course offerings when necessary to improve student transfers between institutions.
6. The institutions will engage in joint marketing efforts to promote the articulation partnership. Promotional efforts will include, but are not limited to, links on respective websites for placement of articulation agreements, information in the institutional catalog, and transfer information in other college/university publications.
7. SouthArk will make available a list of graduates and their corresponding degree programs and mailing addresses upon request of the receiving university in an effort to avail and encourage graduates to further their higher education at a 4-year institution.
8. The institutions will strive to meet annually with the university and college discipline faculty and administrators. These meetings will be directed by the chief academic officer or designee.
9. Students from SouthArk who wish to transfer to ULM will be eligible for an out-of-state tuition waiver if they have completed 12 semester hours of college credit, have a cumulative g.p.a. of 2.5 on all college level work, have no remedial requirements, and are eligible to return to previous institution.

10. SouthArk students are eligible for the ULM Community College Achievement Award (\$1,000 per year/\$2,000 total) if they have a 3.0 or higher cumulative G.P.A. for 45-70 hours credit (excluding developmental). This award is valid for 4 semesters or graduation, whichever comes first. Students must maintain full-time continuous enrollment at ULM, and earn a minimum 3.0 G.P.A. of 12 credits per semester as well as a 3.0 cumulative G.P.A.
11. SouthArk students are eligible for the ULM Phi Theta Kappa Award (\$1200 per year/\$2400 total) if they have a 3.5 or higher cumulative collegiate G.P.A. This award is valid for 4 semesters or graduation, whichever comes first. Students must maintain full-time continuous enrollment at ULM, and earn a minimum 3.0 G.P.A. of 12 credits per semester as well as a 3.0 cumulative G.P.A. This award is not combinable with any other ULM institutional award.

#### TERMS

This agreement shall be effective on the June 8, 2010, and shall continue until terminated by either party giving one year written notice to the other party in order to protect all students transferring between institutions.

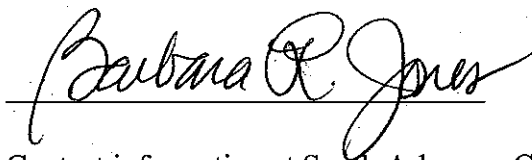

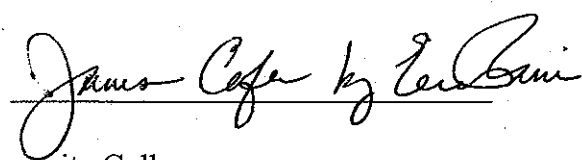

#### NOTICE

Any changes to this Memorandum of Understanding must be in writing and delivered by certified mail or by personal delivery to the person to be notified.

In witness whereof, the authorized representatives of the parties have executed this agreement on the 8 day of June, 2010.
