

# Student Entrepreneurship Academy

Connecting students with local businesses through technology.

Computer Information System and Computer Science Majors

**\$10-\$14/Hour**  
**10-15 Hours/Week**

Students will be assigned projects with local businesses to develop applications and web design to better promote the company internally and externally.

Great opportunity to improve your resume and obtain valuable references.

Contact [jsalter@lsbdc.org](mailto:jsalter@lsbdc.org) or [salter@ulm.edu](mailto:salter@ulm.edu) for more information.  
Brought to you by College of Business in Partnership with LSBDC at ULM.
