Tracking Attrition with Levels of Need

## Welcome

Welcome to the TALON System!

This site is available only to certain members of the ULM Faculty and Staff. If you do not have access, but need it, please contact Dan DeJarnette (dejarnette@ulm.edu) with the Student Success Center to request access.

TALON is a new web-based system, developed by ULM to help track students through their degrees. It is meant to work in tandem with FlightPath, as well as academic advisors on campus, to ensure our students receive the greatest level of service available.

If you have any suggestions for making TALON better, please contact the Student Success Center.
